This book is a condensation of the entire position of the Bhagavadgita gospel. The Bhagavadgita is a gospel for humanity of all times, as a general directive to spiritual development and realisation. It is particularly of value to the present-day world which is anxiety-ridden and tension-torn in almost every walk of life. The Bhagavadgita is the answer of the Infinite to the calls of the finite. It reflects solutions not only to the conditions of man on earth but of situations in the universe as a whole. The Bhagavadgita is a textbook not of any religion but of religion as such, the voice of the higher consciousness which unfolds itself into the Absolute. In this production are involved the efforts of Sri Swami Yogaswarupanandaji, Vice-President of the The Divine Life Society.
